- \* Children need to wear their own school uniform when attending The Hub if not please could we ask that you send your child in trousers and a polo top.

## Halloween

On the last week for Halloween, our children made Halloween pumpkins out of balloons, skeleton masks and 3D skulls.

## Macmillan Coffee Morning

Due to the current situation we were unable to hold a coffee morning, instead the children baked cakes to take home for a donation to the charity, across both Hubs we raised £16.50 which is great! Thank you to all who donated.

## What we have learnt this Term!

During Autumn Term 1 the children have learnt some of the below topics

Space, looking at the different planets and the solar system. They have learned about Neil Armstrong walking on the moon. The Den class performed a song all about the planets, well done!

People who help us, from the police to firefighters and who we need in different situations. They have learnt about Florence Nightingale, Dentists and Vets.

All About Me, the children learnt all about themselves and their interests and dislikes, the colour of their hair and eyes, family & friends, and their favourite food!

## **Young Minds Charity**

On Friday 9<sup>th</sup> October, all the children wore yellow Tie Dye t shirts they have made earlier in the week to raise awareness for Young Minds which is a charity for mental health. We raised a total of £110 across both Hubs which is fantastic!!

We are a member of the Nurture Group UK and use the theory and practice of Nurture Group Principles.
